TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be broken up.
2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgement as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.
3. Auction sales are strictly for cash, and must be paid for promptly in U. S. funds. $1\frac{1}{2}\%$ per month will be added to all bills delinquent after 1 month from date of sale.
4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted, subject to collection.
5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
6. All lots are guaranteed to be genuine and as described. No lots may be returned by mail bidders without our written permission. All claims must be made in writing within 5 days after receipt of goods. We reserve the right to decide on all claims. Lots sold to floor bidders are not returnable.
7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N. Y. State Sales Tax as applicable, is payable by all buyers liable to tax.
8. Unlimited or "buy" bids cannot be accepted.
9. The placing of a bid will constitute acceptance of the foregoing terms of sale.
10. We cannot be responsible for any errors on the part of bidders. Please be careful.
11. No consignors, nor their agents, will be permitted to bid on their own material.

THE SALE YOU HAVE BEEN WAITING FOR

Harmer, Rooke Numismatists Ltd. takes great pride in announcing that Part I of the Late Francis Cardinal Spellman Collection will be placed at unrestricted and unreserved Public Auction on September 26th, 1970 in our fourth floor Galleries at 604 Fifth Avenue, New York City. The sale will be in two sessions, starting at 10:30 A. M. and 2:30 P. M. of that day.

This section of the sale will consist of the Cardinal's personal decorations, and awards, his Papal Medal collection and many other items. Among the outstanding items to be offered are the following:

Cardinal Spellman's celebrated "Short-snorter" assembled by him during WWII, when he was known as the "War Cardinal" on his many visits to various battle fronts, hospitals, etc. This is about 6 feet long, and contains hundreds of signatures of the men he flew with including Winston Churchill and Franklin D. Roosevelt among others.

Three old style large size banknotes taken from the body of John Dillinger, Public Enemy #1 and presented to the Cardinal by J. Edgar Hoover.

A virtually complete set of medallions of 246 different Popes, each in its own special ornate holder with complete history of the Pope involved.

The gold medal struck by Pope Pius XI in 1931 to commemorate the opening of the Vatican Radio Station and presented to the then Monsignor Spellman by the Pope. It is one of only three struck, one being retained by the Pope, the other presented to the inventor, Marconi.

The unique and beautiful Hamerani 7 ducat medal in gold, and issued in 1679. Diligent research on our part has failed to turn up even the traces of another.

The very rare Bernard M. Baruch gold medal Award, personally awarded to the Cardinal in 1953, and only the second one so awarded.

Among the 60 or so Governmental awards and decorations are:

Ecuador Legion of Charity
French Legion of Honor
Guatemala Order of the Quetzal
Haiti Order of Honor and Merit
Order of Merit of the Italian Republic
Belgium Order of the Crown
Italy Order of the Crown
Philippines Legion of Honor

and many, many others, some with the original Presentation parchment making the award and signed by the then Head of State. Most have ribbons attached, and include the lapel miniature.

Plus hundreds of other rare medals in silver, gold bronze, etc., from many countries, including a full set of handsomely mounted U. S. Presidential Medals.

Catalog of this important and unique sale will be sent upon receipt of \$2.00 and request. Mail bids for our out-of-town customers or those who cannot attend the sale in person, will, of course, be given our usual scrupulous attention.

This will be a once-in-a-lifetime chance to add something of the beloved Cardinal to your own collection.

U. S. COMMEMORATIVE COINS

These half dollars were minted in the 1920's and 1930's, often several per year, and usually as political favors. Under these conditions, minting was not usually of the highest standards, and uncirculated pieces may not show full strikes. Except where noted, the following are all uncirculated, occasionally with slight bag marks, as is usual.

U. S. CENTS

199	1794, head of 1795. Obverse is fine, reverse good, planchet rough and some scratches evident. Not well struck on reverse lettering.	(75.00)
200	1799/98 overdate. Sheldon 188; one of the top 6. Condition Census specimens known. Identifiable as the overdate by characteristic loop of the "8" showing between knob and ball and to right of lower part of the "9" and elsewhere within the "9". One of the clearest and best struck overdates we have ever seen, it is identifiable as Sheldon 188, by, on obverse, criteria hair curl points entirely to right of "B" and between "BE" unlike any 1798. Date is very widely spaced and the die is identical to obv. 1, 1799. Rev. Positional criteria: die is 1798, Rev GG Stemless leaves, see Sheldon plate 33. Condition is very fine, very strong border at right, and weak or absent border at left obverse. Reverse perfectly centered, olive and steel color with patches of brownish red patina. Identifying marks are early die state with clash marks under ribbon at neck and chin and within wreath. Rim nick at 2 o'clock on obverse pointing down to right, slight field abrasions. Some years back the Pierce Barnhart coin sold by New Netherlands Coin Company was described as having extremely fine sharpness with dark green patina and with scraped places where pit marks were inexpertly smoothed over on neck. We feel the coin we offer here is superior. Another example for the highest price paid for a 1799 Large Cent at public auction is the coin John Ford sold through the New Netherlands Coin Company in 1962 in their 56th Sale where it was listed as being consigned by an anonymous European collector; graded as AU 50 and bought by a novice Long Island dealer for a reputed (and hard-to-believe) \$10,500 for a commission for a California dealer who in turn resold it for a profit. Although this price is very optimistic, we feel the guide book valuation is more true. In very fine condition the coin catalogs for \$2100. and we feel that this coin should sell for around that figure. PLATE

The following coins represent the collection of a doctor stationed for many years in China. All coins are what are known as "cash", that is round, from 1 to 2" and with a square denter hole. They are bronze, brass and on some few pieces, tin or lead. All are mounted on large cards with correct attribution, and condition varies from good to very fine, with a very occasional piece broken or otherwise mutilated. None has been checked for mintmarks.

END OF SALE

FIXED PRICE LIST

In the normal course of business, Harmer Rooke Numismatists Ltd acquires many collections and individual coins outright. As it is not our policy to place our own material at auction, we offer the following coins on a fixed price basis. Many are one-of-a-kind items, so the first check in will take the coin. Second and third choices will, of course, be honored and appreciated. Please include your check with order, plus sales tax if applicable, etc. Some postage would also be appreciated. Of course, the usual Harmer Rooke guaranty goes with every piece.

In June of 1967, the little-known island of Anguilla, 35 square miles of barren land in the Caribbean Sea, declared its independence from Great Britain. At that time, some 10,000 crown-sized coins of various countries were counterstamped, at a value of \$10.00 each, to circulate in the country. Slightly flattened by the crude machinery, the lettering was filled in with black ink, and reads "Anguilla Liberty Dollar, July 11th, 1967". The revolt was short-lived and, after settlement, the dies were defaced and presented to the American Numismatic Society in New York, where they can be viewed.

We have been fortunate to acquire the remaining stock of these scarce coins, the only counterstamped coins in the modern British Commonwealth Series. We are pleased to offer them as follows:

On Peru Y41 (1500 minted).	26.00
On Yemen Y31 (500 minted).	28.00
On Mexico Y54 (1500 minted).	26.00
On Philippines Y25 (340 minted).	28.00
(These are from the Manila Bay hoard).	
On Mexico Y67 (6000 minted).	25.00
On Mexico Y74 (250 minted).	30.00
On Panama Y16 (90 minted) Available only in set.	
The complete set of 7 pieces.	225.00

Only 90 of these sets can exist, making it one of the world's scarcer sets. Dealer inquiries invited.

DON'T BID IN THE DARK

If buying at auction is new to you

If you are unsure of what to bid

If your bids are generally unsuccessful

If you would like advice in bidding

You can take much of the guessing out of bidding at auction. We'll be happy to place our sixty-seven years of auction experience at your service, by supplying our estimates of the probable realizations of the lots in which you are interested. Simply send us a list of these lot numbers (leaving space for us to insert our valuations), and enclose a stamped, self-addressed envelope. Our reply will be forwarded promptly. If time is short, call us for this information. OF COURSE, HOW MUCH YOU BID, OR WHETHER YOU BID AT ALL, IS UP TO YOU.

Naturally, using our estimates doesn't mean that you will obtain every lot on which you bid. But you will be in the ball park, and should obtain a fair proportion of your bids, and at prices consistent with current market values.
